

YRZO AI LTD

Terms of Service

Last updated: September 2026

IMPORTANT: Please read these Terms carefully before using Yrzo AI. By accessing or using our service you agree to be bound by these Terms.

1. ACCEPTANCE OF TERMS

By accessing, registering for, or using Yrzo AI ("the Service"), you confirm that you have read, understood, and agree to be bound by these Terms of Service and our Privacy Policy. If you do not agree, do not use the Service.

2. ELIGIBILITY

You must be at least 18 years of age to use this Service. By using the Service you represent that you are 18 or older. Use of the Service by anyone under 18 is strictly prohibited.

3. AUTHORISED USE ONLY — CRITICAL

Yrzo AI is a professional security testing tool intended exclusively for authorised use. By initiating any scan you represent, warrant and confirm that: (a) You are the registered legal owner of the target domain, OR (b) You hold explicit written authorisation from the legal owner to perform security testing on that domain; (c) You have verified domain ownership through our verification system; (d) Your use complies with all applicable laws including the Computer Misuse Act 1990 (UK) and equivalent legislation worldwide; (e) You will not use findings to attack, damage, or gain unauthorised access to any system; (f) You are acting in good faith for legitimate security research purposes.

4. PROHIBITED USES

You are strictly prohibited from using Yrzo AI to: test any domain you do not own or lack authorisation to test; perform denial-of-service attacks; access, steal, copy, modify, or destroy third-party data; facilitate any illegal or harmful activity; circumvent security measures without authorisation; share scan results with unauthorised third parties; use findings for extortion or blackmail; violate any applicable law or regulation.

5. DOMAIN VERIFICATION

Yrzo AI requires domain ownership verification before any scan is initiated. This creates a timestamped, logged audit record. Providing false, misleading, or fraudulent verification information may constitute a criminal offence under the Computer Misuse Act 1990. We reserve the right to report suspected fraudulent activity to law enforcement.

6. NATURE OF THE SERVICE

Yrzo AI performs automated passive and semi-passive security testing. All scanning tools operate within safe request limits. Our tools are read-only in nature and are designed not to modify, delete, corrupt, or exfiltrate any customer data. Maximum concurrent requests per scan are strictly limited. Scans typically complete within 10-15 minutes. We do not guarantee that our Service will identify all security vulnerabilities in your application. We are not liable for any website downtime, data loss, or disruption that occurs during or after a scan.

7. PAYMENT AND REFUNDS

All payments are processed securely via Stripe. Due to the digital nature of our service, scans that have been initiated are non-refundable. If a scan fails to complete due to a technical error on our part, we will offer a free rescan or refund at our discretion. Chargebacks initiated without first contacting us may result in permanent account suspension.

8. LIMITATION OF LIABILITY

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW: (a) Yrzo AI Ltd shall not be liable for any indirect, incidental, special, consequential, or punitive damages; (b) Yrzo AI Ltd's total aggregate liability shall not exceed the amount paid for the specific scan giving rise to the claim; (c) Yrzo AI Ltd is not liable for any damage, data loss, downtime, or security incidents that occur as a result of vulnerabilities identified or not identified by our Service; (d) We provide the Service on an "as is" and "as available" basis without warranties of any kind.

9. INDEMNIFICATION

You agree to fully indemnify, defend, and hold harmless Yrzo AI Ltd, its officers, directors, employees, and agents from and against any claims, damages, losses, liabilities, costs, and expenses (including legal fees) arising from: your use or misuse of the Service; your violation of these Terms; your violation of any applicable law; any false information provided during domain verification.

10. COMPUTER MISUSE ACT COMPLIANCE

Users in the United Kingdom are subject to the Computer Misuse Act 1990. Unauthorised access to computer systems is a criminal offence. Yrzo AI requires domain ownership verification to ensure all scanning is authorised. We maintain comprehensive audit logs of all scans and will cooperate fully with law enforcement investigations.

11. GDPR AND DATA PROTECTION

We process your personal data in accordance with the UK GDPR and the Data Protection Act 2018. We collect your name, email address, target domains, and scan logs for the purpose of providing the Service. We retain scan logs for 12 months. We will not sell your personal data to third parties. You have the right to access, correct, or delete your personal data by contacting yrzoai@gmail.com.

12. AUDIT LOGGING

All scans are logged including: user account details, target domain, verification record, scan timestamp, and findings summary. These logs may be provided to law enforcement or regulatory authorities upon receipt of a valid legal request or court order.

13. INTELLECTUAL PROPERTY

All content, technology, algorithms, software, and branding associated with Yrzo AI is the exclusive intellectual property of Yrzo AI Ltd. You may not copy, reproduce, modify, or distribute any part of the Service without our express written permission.

14. CONFIDENTIALITY OF REPORTS

Scan reports generated by Yrzo AI are confidential and intended solely for the authorised domain owner. You agree not to share or publish reports in a manner that could harm third parties or facilitate attacks on any system.

15. MODIFICATIONS TO TERMS

We reserve the right to modify these Terms at any time. We will notify registered users of material changes by email. Continued use of the Service after notification constitutes acceptance of the modified Terms.

16. TERMINATION

We reserve the right to suspend or terminate your access to the Service at any time, with or without cause. Upon termination, your right to use the Service ceases immediately.

17. GOVERNING LAW AND JURISDICTION

These Terms shall be governed by and construed in accordance with the laws of England and Wales. Any disputes shall be subject to the exclusive jurisdiction of the courts of England and Wales.

18. SEVERABILITY

If any provision of these Terms is found to be unenforceable, that provision shall be limited to the minimum extent necessary so that the Terms shall otherwise remain in full force and effect.

19. ENTIRE AGREEMENT

These Terms, together with our Privacy Policy, constitute the entire agreement between you and Yrzo AI Ltd regarding the Service.

20. CONTACT

For legal enquiries, data protection requests, or to report misuse:

Email: yrzoai@gmail.com

Company: Yrzo AI Ltd (registration pending)
